#### Action to Approve a Preliminary/Final Land Development Plan for Cardan Enterprises, LLC (Plan #23-03)

Amanda Zerbe presented the Preliminary/Final Land Development Plan for Cardan Enterprises, LLC (Plan #23-03)—a discussion about the memorandum from the fire company, fire hydrants, and the hazardous materials followed.

Dan Stacks, Daniel Craig, Inc., 4200 Paxton Street, was present to answer questions about the materials being stored at the site. He assured the Supervisors that the liquid paving material was not flammable unless someone threw a blow torch in the tank.

Carolyn Stacks, Daniel Craig, Inc., 4200 Paxton Street, advised that Veolia Water would be at the site to install the water main in the next 30 to 60 days. Therefore, there should be a timely installation of the fire hydrant.

Ryan Murphy, Paxtonia Fire Company, 509 Beaver Road, noted that they are concerned about how close the tanks are to the building; however, once the hydrant is installed, everything will be fine.

Mr. Zoumas asked Mrs. Zerbe who initiated the installation of the hydrant. Mrs. Zerbe explained that the Township must write a letter to Veolia Water Company requesting the fire hydrant; she recommended that the request be included in the Supervisor's motion for approval.

Mr. Judd motioned to approve the Preliminary/Final Land Development Plan for Cardan Enterprises, LLC (Plan #23-03) with the condition that the fire hydrant is ordered from Veolia Water Company and no combustible materials are stored in the tanks until the fire hydrant is installed. Mr. Zoumas seconded the motion. Mr. Henry called for a voice vote, and a unanimous vote of approval followed.
