Good afternoon All,

Attached is our agenda for tomorrow. The only two business items will be to cancel next week's meeting and to make September a business meeting. There are several people including me that are unable to make next week's meeting which was to work on the closet. Also right now we only have Denise and Kristy scheduled for a presentation and that is in December. I think the person that is going to do Charlton Church and Browns School is having surgery this month but hopefully we might be able to schedule her in October.

Thanks to Denise, Pam, Jay, Donnie and Bob for helping me with the National Night Out last night. We had a number of good discussions with members of the crowd.
